Get on Board!

Help support the 25 percent Iowa Renewable Fuels Standard

By Mike Jerke

mikej@quad-county.com

We need your help! On February 13, from 10:30 a.m. to 4:00 p.m., the Iowa Renewable Fuels Association and the Iowa Corn Growers Association are going to the Iowa Capitol to support a 25 percent by 2015 Iowa Renewable Fuels Standard (RFS).

Quad County Corn Processors is hosting a bus to Des Moines from **Lohff-Shuman Community Center, Holstein**, for our investors, local businesses and community supporters. Increasing the use of renewable fuels strengthens our ethanol industry and adds value to our communities! An Iowa RFS will increase the demand for E10, E85 and biodiesel by as much as 300 to 400 million gallons collectively.

A free lunch will be served and a briefing on the 25 percent Iowa RFS will be held before we go to the Capitol to meet with legislators. Our bus will depart from Des Moines for home at 4:00 p.m. This is a unique opportunity to have your voice heard!

Invite your family, friends and neighbors as well. Anyone who cares about renewable fuels can ride the bus. But space is limited. To reserve a seat on the bus, contact **Nancy Miller** at **(712) 282-4628** or nancym@quad-county.com

A strong showing of grassroots support is critical to the success of the Iowa RFS. Please help show legislators that Iowans want to expand the availability and use of locally-produced renewable fuels. *"Get on board" February 13!*
